<b>World Vision</b> 20-Feb-07 Index: 285 [4]	<b>SUD-07/E63</b> Basic Education and Psychosocial Improvement Project in South Darfur [D] (HA)	Q1: \$1,500,000 Q2: \$2,000,000 Q3: \$2,000,000 Q4: \$2,000,000	<b>\$50,000</b>	World Vision has some funding secured for education in South Darfur State but not the full amount indicated as needed in the Work Plan. The needs are great in terms of rehabilitation of school infrastructure and training of teachers, PTAs and provision of teaching and learning materials.	<ul style="list-style-type: none"> <li>Rehabilitation of one temporary school;</li> <li>Construction of latrines;</li> <li>Rehabilitation and construction of water points for drinking and handwashing;</li> <li>Training of PTAs, teachers; and,</li> <li>Provision of girl's uniforms.</li> </ul>	<ul style="list-style-type: none"> <li>Increased access to basic quality education;</li> <li>One temporary school in operation;</li> <li>Water supply and latrines for three schools;</li> <li>All PTAs with capacity to manage the schools to which they are associated;</li> <li>Teachers with enhanced capacity in terms of delivery of education; and,</li> <li>Girls have school uniforms.</li> </ul>	<ul style="list-style-type: none"> <li>Edd Al Fursan, Nyala Localities in South Darfur State</li> <li>At least 1,000 students directly.</li> <li>March to June 2007</li> </ul>
<b>NFIs and Emergency Shelter</b>		<b>\$289,600</b>					
<ul style="list-style-type: none"> <li>Supplementary allocation in order to meet criteria on minimum project allocation size as defined in the policy paper for the 1st round allocations</li> </ul>							
<b>Concern</b> 18-Feb-07 Index: 312 [7]	<b>SUD-07/NS27</b> NFI Distribution in West Darfur. [D] (HA)	Q1: \$108,750 Q2: \$217,500 Q3: \$326,250 Q4: \$435,000	<b>\$130,000</b>	To cover distribution cost and to purchase NFI items that are not available through the CP basket. Items need to be purchased early in the year due to long delivery times. Allocation takes total grant to over the US\$200,000 threshold for CHF funding.	Facilitation of community participation and transparency in the distribution process. Verification of population in the area and identification of the target group with specific focus on the extremely vulnerable. Distribution of enhanced NFIs for 35,000 HH in Seleia, Kulbus and Momei.	35,000 EVI's HH have an improved accommodation and protection against the elements within the camps.	<ul style="list-style-type: none"> <li>West Darfur</li> <li>35 000HHIDP's / Retrns / Host</li> <li>1st Jan 07 - 1st May 07</li> </ul>
<ul style="list-style-type: none"> <li>Supplementary allocation in order to meet criteria on minimum project allocation size as defined in the policy paper for the 1st round allocations</li> </ul>							
<b>CRS</b> 18-Feb-07 Index: 313 [8]	<b>SUD-07/NS28</b> Shelter and NFI Distribution and Coordination in West Darfur. [D] (HA)	Q1: \$150,000 Q2: \$300,000 Q3: \$300,000 Q4: \$300,000	<b>\$125,000</b>	To purchase NFI items that are not available through the CP basket. Addresses Objective 3 of the UN Workplan, to date an underserved sector. Items need to be purchased early in the year due to long delivery times. Allocation takes total grant to over the US\$200,000 threshold for CHF funding.	Shelter and NFI needs assessments, NFI distributions. Procure four of the items which are out side of the current basket available for shelter construction.	Provision of NFI and shelter kits full and partial to 8,000 HH.	<ul style="list-style-type: none"> <li>West Darfur</li> <li>8 000HH IDP's</li> <li>1st Jan 07 - 1st May 07</li> </ul>
<ul style="list-style-type: none"> <li>Supplementary allocation in order to meet criteria on minimum project allocation size as defined in the policy paper for the 1st round allocations</li> </ul>							
<b>HelpAge</b> 18-Feb-07 Index: 314 [5]	<b>SUD-07/NS18</b> NFI and Shelter Response for Older Individuals and their Dependents in Conflict Affected Areas in West Darfur [D] (HA)	Q1: \$16,150 Q2: \$32,300 Q3: \$48,540 Q4: \$64,600	<b>\$34,600</b>	NFI Distribution Costs/shelter construction (addressing Objective 3 of the UN Work Plan, under-served sector to date). Small targeted project with high impact for highly/extremely vulnerable groups in Darfur. Allocation gives full amount requested in the project submission to minimise administrative overhead.	Distribution of humanitarian relief to IDP and nomadic communities, with particular focus on vulnerable groups including older people and those living with disabilities. Shelter rehabilitation for war affected households, headed by older people or disabled. Build capacity of local logistics staff in procurement, warehousing and organising delivery of NFI's and shelter material.	Older people and their beneficiaries are assessed and their NFI and shelter needs responded to in a timely manner. New arrivals and refugee communities are taken into consideration and reached by NFI distributions and shelter response. Nomadic communities with extremely limited access to humanitarian relief are involved in outreach efforts and included in plans for NFI response.	<ul style="list-style-type: none"> <li>West Darfur</li> <li>15 000HH IDP's, vulnerable groups.</li> <li>1st Jan 07 - 1st May 07</li> </ul>

<b>IMC</b> 20-Feb-07 Index: 306 [9]	<b>SUD-07/WS19</b> Improve access to adequate water and sanitation services in West Darfur [D] (HA)	Q1: \$250,000 Q2: \$500,000 Q3: \$700,000 Q4: \$700,000	<b>\$100,000</b>	There is a dire need for the watsan activities IMC intends to do in these areas in order for the health and nutrition programs have sustainable impact. IMC is the only organization providing health care services, including health education (nutrition, hygiene and environment sanitation among others). However, gaps still exist with regard to community access to latrines. In part as a result open defecation is commonly practiced in Orukom, Terej and Karti. And common hygiene and environment-related morbidity factors include malaria, diarrhoea, eye infections, intestinal worms, ARI and injuries. Effort of IMC to educate the communities on hygiene and environment sanitation is going on in the absence of supportive infrastructure such as latrines, clean water source, and vector control measures; prerequisites if the communities were to practice hygienic habits being promoted by IMC. Construction of latrines in the rural areas will strengthen on going hygiene and sanitation education of IMC.	<ul style="list-style-type: none"> <li>Hygiene promotion;</li> <li>Maintenance and rehabilitation of water points in Wadi Saleh locality;</li> <li>Installation of submersible water pumps at the water points in Mukjar and Um Dukum; and,</li> <li>Construction of latrines and waste disposal pits at the IMC-supported sites in Mukjar, Garsilla and Zallingi.</li> </ul>	<ul style="list-style-type: none"> <li>At least two water points rehabilitated and maintained; the submersible water tanks installed at the two sites; and,</li> <li>250 toilets and waste disposal pits constructed; community trainings on hygiene promotion and maintenance of the water and sanitation facilities done.</li> </ul>	<ul style="list-style-type: none"> <li>Wadi Saleh, Mukjar and Zallingi</li> <li>39256 IDPs and 39848 host population; Latrine construction in Zalingei rural to benefit 1,000 households.</li> <li>April-June 07</li> </ul>
